

Young Professionals Group

Careers Unlocked 19th November 2008

Whether just starting a career in IT or growing within your current role, the BCS can help you unlock your potential in this unique and informal location

Talk to successful men and women from within Oxford's IT Industry, learn what makes them succeed.

Find out what support and services BCS offers to IT professionals and get advice about becoming a success in the IT industry.

Wine and nibbles will be available while you relax and talk to your YPG peers
