Connecting a Smarter Planet

Andy Piper, IBM Hursley Lab
Thursday 16th February 2012 - 7:30pm
Oxford e-Research Centre, 6 Keble Road, Oxford, OX1 3QG

Interconnectivity is one of the key aspects to enabling smarter working and a Smarter Planet. IBM's Hursley Lab in the UK has been at the heart of inter-application and inter-device messaging for many years, and this talk will cover some of the innovations that have come from that lab and are now being implemented around the world.

The event is free.
Members and non-members are very welcome. Please just turn up.
Tea, coffee and sandwich buffet are served from 7:00pm.
